ABOUT THIS FONT SET

These welcoming images suggest the open movement of information and ideas. Use them to express your own free-form universe.

HOW IT WORKS

The boxes above represent [keys] on your keyboard. When you have selected this font in your application and then choose a particular letter, number or symbol [key], the icon you see indicated above will appear

instead of the usual character. Note that pressing your upper/lower case [keys] will change which symbol appears, so calculate your orbit with care.
